

SHEET CHURCH HISTORY PROJECT

In September 2018 Sheet Church will be celebrating its 150th anniversary.

As part of the celebrations, a group is working to mount a history display. We are researching the people and activities of the church throughout that period, including transcribing and making available the parish baptism and marriage records dating back to 1868. For our display we are inviting anyone with present or past links with the village church to lend us any photos or other documents of interest. We aim to scan the originals and promptly return them to their owner, so there will be no risk of family treasures being lost.

If you have any photos or other papers relating to events and activities in or around Sheet Church, we would love to hear from you, especially if you can add details such as names, or any other reminiscences you think might be relevant.

Please contact one of the members listed below, preferably by email in the first instance, or Sylvia by phone. If you would like to get more involved in the group in some way, we would also love to hear from you. Although we are looking a whole year ahead, that will pass very fast, and there is plenty to do!
